With the ongoing pandemic, The Uncut Team curated and compiled a list of COVID-19 related resources (including available beds, oxygen cylinders, plasma donors, food services etc)

We are not affiliated with any mentioned sources and neither take responsibility for them nor vouch completely for their credibility.

HOWEVER, we are doing our best to update and verify all resources regularly. They may get exhausted in short periods of time and be temporarily unavailable but our team will keep replacing and adding new resources.
