

Greetings from DNV GL Mumbai office.

We strongly believe that investment in training allows companies to take control of their future. Competence is built on knowledge, and this leads to greater personal and corporate success. With our increased global network and one of the broadest portfolios in the maritime industry we are able to exploit best practices and offer you a comprehensive training programme. Over the last few months Maritime Academy India has successfully transitioned from the offline (physical classroom format) to the dynamic “Virtual Online Classrooms” with extremely positive feedback from the participants.

We are pleased to share the dates of the upcoming online courses with you.
