

## Why Us

- ✓ Single window Solution for Marine & Legal
- ✓ Quality
- ✓ Compassion
- ✓ Commitment
- ✓ Respect
- ✓ Ethical
- ✓ Affordability

**Ally Maritime and Legal Services** was incorporated in the year 2018 with the purpose of providing a single-window solution for maritime and legal expertise while ensuring that only the best engineering and business ethics are practised. We are providing professional maritime consulting services to our global client base along with our strategic association with other esteemed organizations too.

The maritime world is highly competitive, highly regulated and technically demanding. From vessel registration, surveys and compliance, marine engineering and risk consultancy, ship agency, shore support, industry training, crew certification and much more, our 'one-stop-shop' helps clients rise to the many - and growing - challenges.
