

Congratulations

1

We have saved lakhs
of litres of Fuel
(Petrol/ Diesel)
while we aren't
out for a ride.

Congratulations

2.

The skies seem clearer,
we have temporarily paused
the generation of
Air Pollution and Smog
clouds up there.

Congratulations

3

We have given the
much needed space and
time for the nature
to heal itself and
Us.

Congratulations

4.

We have slept few extra hours and woke up without worrying about busy schedules. Oh, let's not forget the mini panic attacks we get due to early morning alarms.

Congratulations

5.

We actually are spending
quality time with family
and encouraging friends
to stay safe.

#FamilyTime

6.

We have developed a habit of keeping a check on the latest news and staying updated with the world.

#SocialAwareness

Congratulations

7.

We have become self conscious
about cleanliness, hygiene
& probably have time
to recollect long
forgotten hobbies.

Congratulations

8.

We have realised that
Health is The Real
Wealth and
Prevention is Far
better than Cure.

#FirstTeachingofAyurveda

Congratulations

g.

The annoying
Honking Noises have
been replaced with the
Birds Chirping, Trees Waving
and Leaves rattling.
#TheEarthIsHealing

Congratulations

10.

We have all become
Super Heroes and
are praying, offering gratitude
to everyone around Us.
